INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
FII-National

Opinion

We have audited the accompanying financial statements of FII-National (the "Organization"), which comprise the statement of financial position as of December 31, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of FII-National as of December 31, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FII-National and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FII-National's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FII-National's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FII-National's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated August 19, 2025, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited FII-National's 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated July 25, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

	$ 5,985,861	$ 8,916,201

The accompanying notes are an integral part of these financial statements.

FII-National
Notes to Financial Statements
December 31, 2024

1. NATURE OF OPERATIONS

FII-National DBA UpTogether (the "Organization") is a national organization that invests in people in historically undervalued communities and amplifies their true lived experiences, working together to influence policies and rally for systems change. The Organization was originally founded in 2001 as Family Independence Initiative, and changed their name to better describe their approach and work. Their strength-based approach of community, capital and choice recognizes and honors people's initiatives, abilities and self-determination.

As a community, a movement, and a platform, the Organization uses the power of information - compelling insights and personal success stories - to transform stereotypes, beliefs, practices and policies. Together with the Organization's members, the Organization is championing a community-led movement to boost economic and social mobility in communities that have been undervalued and underinvested in for far too long. The Organization partners with individuals, families, funders, government agencies and community partners to create an environment in which all people in the United States are seen and invested in for their strengths and are able to build power, reinforce their autonomy and drive their own economic and social mobility.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The Organization's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Financial statement presentation

The Organization reports information regarding its financial position and activities according to the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

- *Net assets without donor restrictions* - net assets not subject to donor-imposed restrictions that are used to support the programs, as well as general and administrative functions of the Organization.
- *Net assets with donor restrictions* - net assets subject to donor-imposed restrictions that may or will be met by actions of the Organization and/or the passage of time.

Cash and cash equivalents

For the purposes of the statements of cash flows, the Organization considers all money market funds, merchant accounts and highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair value measurements

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Organization characterizes the fair value of financial instruments measured at fair value on a recurring basis based on the priority of the inputs used to value the instruments. The hierarchy consists of three broad levels:

- *Level 1* - inputs are based on unadjusted quoted market prices within active markets.
- *Level 2* - inputs are based primarily on quoted prices for similar assets in active or inactive markets.
- *Level 3* - inputs are based on unobservable inputs for the asset or liability, that reflect the reporting entity's or market participants' assumptions in pricing the asset or liability (including assumptions about risk) developed based on the best information available in the circumstances.

If the inputs used to measure the instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurements of the instruments.

Fixed income securities are valued based on recently executed transactions and market price quotations for identical assets.

Revenue recognition

Grants and contributions are recorded as revenue without donor restrictions or with donor restrictions, depending on the existence and/or nature of any donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Contributions including unconditional promises to give, are recognized as revenues in the period the promise is received. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met. At December 31, 2024, contributions approximating $4,189,000 have been awarded but not yet recognized in the accompanying statement of activities because the conditions on which they depend have not yet been met. The conditions primarily relate to certain milestones and performance metrics. Of the total conditional contributions, $971,233 has been received and is reported as a refundable advance in the statement of financial position.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue recognition (continued)

Donated materials and equipment are recorded as contributions based on the estimated fair value at the date the contribution is made. Donated services are recorded as contributions at their estimated fair value only in those instances in which they enhance non-financial assets or the Organization would have acquired such services if they had not been donated, require special skills, and are provided by individuals with those skills.

A portion of the Organization's revenue is derived from cost-reimbursable contracts from governmental agencies, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. The revenue generated from these contracts meets the criteria to be classified as conditional contributions under GAAP revenue recognition as they contain barriers related to the incurrence of qualifying expenditures and a right of return or release. Amounts received are recognized as revenues when the Organization has incurred expenditures in compliance with specific contract or grant provisions.

Contributions and grants receivables

Contributions and grants that are promised in one year but are not expected to be collected until after the end of that year are considered contributions and grants receivable and are recorded at fair value by discounting at an appropriate discount rate commensurate with the risks involved. Amortization of any such discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions. An allowance for doubtful accounts is provided based upon management's judgment including such factors as prior collection history, type of contributions, and current aging of the promises to give.

Leases

The Organization leases office space under an operating lease. The Organization determines if an arrangement is a lease at inception. Operating leases are included in operating lease ROU assets and operating lease liabilities on the statement of financial position. Finance leases are included in property and equipment and other long-term liabilities on the statement of financial position. The Organization does not have any finance leases.

ROU assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. As the Organization's lease does not provide an implicit rate, the Organization uses a risk-free rate based on the information available at commencement date in determining the present value of lease payments. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

The Organization's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Leases (continued)

The Organization has elected not to recognize right-of-use assets and lease liabilities for short-term leases and instead records them in a manner similar to operating leases under legacy leasing guidelines. A short-term lease is one with a maximum lease term of 12 months or fewer and does not include a purchase option the lessee is reasonably certain to exercise. The Organization's office lease is a short-term lease that expires in September 2025.

Income tax status

The Organization is a qualified organization exempt from Federal income and California franchise taxes under the provisions of Sections 501(c)(3) of the Internal Revenue Code and 23701(d) of the California Revenue and taxation code, respectively.

The Organization has evaluated its current tax positions and has concluded that as of December 31, 2024, the Organization does not have any significant tax positions for which a reserve would be necessary.

Functional expense allocation

Expenses are charged to programs and supporting services on the basis of the Organization's estimates. Management and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization. Salaries, wages and benefits have been allocated among program services and supporting services based upon the employees' estimated time spent by function. Other expenses are assigned directly to specific activities as expenditures are made.

Credit risk

Cash and cash equivalents maintained by the Organization are normally in excess of the federally insured limits. The Organization mitigates this risk by placing cash and cash equivalents with high credit quality institutions.

Use of estimates

The preparation of financial statements, in conformity with U.S. GAAP, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Reclassifications

Certain prior year balances have been reclassified to conform to the current year presentation. The reclassification did not have any impact to the change in net assets or the total ending net asset balance.

Subsequent events

The Organization has evaluated subsequent events through August 19, 2025, the date the financial statements were available to be issued. No subsequent events have occurred that would have a material impact on the presentation of the Organization's financial statements.

3. LIQUIDITY AND FUNDS AVAILABLE

As of December 31, 2024, the Organization has $25,212,589 of financial assets available for general expenditures within one year of the statement of financial position date. This is comprised of $34,717,011 of financial assets consisting of cash and cash equivalents of $5,985,861, certificates of deposit in the amount of $24,463,925 and contributions and grants receivable of $4,267,225, less donor-restricted net assets in the amount of $9,504,422. To manage its overall liquidity, the Organization has a goal to maintain cash on hand to meet four to six months of operating expenses. The Organization manages its operations, revenue generation and spending to maintain its cash within this target range. The Organization does not have lines of credit or other alternate sources of cash that it could draw upon in the event of an unanticipated liquidity need. Consequently, its cash is not actively invested and is generally held in checking and savings accounts as well as short-term certificates of deposits.

4. INVESTMENTS

Investments consisted of the following:

Fixed income	$ 24,463,925

The following table sets forth by level, within the fair value hierarchy, Organization's investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Fair Value
Fixed income	$ 24,463,925	$ -	$ -	$ 24,463,925

4. INVESTMENTS (continued)

Investment earnings consisted of the following:

Investment gains, net of fees	$ 1,560,337
Interest and dividend income	10,219
	$ 1,570,556

5. CONTRIBUTIONS AND GRANTS RECEIVABLE

Contributions and grants receivable consist of the following:

Amounts due in less than one year	$ 2,587,452
Amounts due in one to four years	1,679,773
	$ 4,267,225

The accompanying financial statements do not provide for an allowance for doubtful contributions and grants receivable or discount to net realizable value as of December 31, 2024, as the Organization believes they will fully collect its receivable and the value reflected in the financial statements approximates net realizable value.

6. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consisted of the following:

Mid West	$ 2,955,033
East Coast	1,878,657
West Coast	1,786,671
South West	1,385,067
National	1,371,131
Implied time restriction	77,863
Fiscal agent - Giving Credit	50,000
	$ 9,504,422

6. NET ASSETS WITH DONOR RESTRICTIONS (continued)

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of other events specified by donors as follows:

Mid West	$ 1,945,295
East Coast	4,273,440
West Coast	5,416,233
South West	4,493,877
National	345,673
Implied time restriction	50,000
Fiscal agent - Giving Credit	100,000
	$ 16,624,518

7. IN-KIND CONTRIBUTIONS

In-kind contributions consist of the following:

	Contributions	Expenses
Software licenses	$ 17,632	$ 17,632

The valuation of contributed software licenses is based on the cost to the Organization to obtain the licenses were they not donated.

8. CONCENTRATIONS

The Organization had three donors which comprised 63% of total contributions and grants receivable at December 31, 2024, and four donors which comprised 51% of total contribution revenue for the year ended December 31, 2024.

9. RETIREMENT PLANS

The Organization has a 401(k) Qualified Retirement Plan (the "Plan") covering all employees after attainment of specific periods of service and minimum age requirements. The Plan includes an employer match of employee contributions of up to 2% of a participant's gross monthly earnings. During the year ended December 31, 2024, the Organization contributed $98,556 to the Plan.

In addition, employees have the option of contributing a percentage of their salary as allowable by law to a tax-sheltered annuity trust ("TSA"). If an employee needs to use the funds invested into the TSA, the employee has the option of initiating a loan against the account provided that the need for such loan meets certain conditions. Loans are subject to review by the Organization.

SINGLE AUDIT REPORTS AND SCHEDULES

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Trustees
FII-National

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of FII-National (the "Organization"), which comprise the statement of financial position as of December 31, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements, and have issued our report thereon dated August 19, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies.

Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Trustees
FII-National

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited FII-National (the "Organization")'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2024. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weakness or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

FII-National
Schedule of Expenditures of Federal Awards
For the Year Ended December 31, 2024

Federal Grantor/Pass-Through Grantor/ Program or Cluster Title	Assistance Listing Number	Pass-Through Entity Identifying Number	Total Federal Expenditures
Expenditures of Federal Awards			
U.S. Department of the Treasury			
Coronavirus State and Local Recovery Funds			
Pass-through program from:			
City of Santa Fe	21.027	3204103	$ 1,228,000
Multnomah County	21.027	DCHS-SVCSGEN-13837-2022	509,778
			1,737,778
Total Coronavirus State and Local Recovery Funds			1,737,778
Total U.S. Department of the Treasury			1,737,778
Total Expenditures of Federal Awards			$ 1,737,778

The accompanying notes to the Schedule of Expenditures of Federal Awards are an integral part of this schedule.

FII-National
Notes to Schedule of Expenditures of Federal Awards
December 31, 2024

1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of FII-National (the "Organization") under programs of the federal government for the year ended December 31, 2024. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements*, *Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or limited as to reimbursement. Pass-through entity identifying numbers are presented where available and applicable.

3. INDIRECT COST RATE

The Organization has elected to not use the 10% de minimis indirect cost rate for federal awards.

FII-National
Schedule of Findings and Questioned Costs
For the Year Ended December 31, 2024

SECTION I - SUMMARY OF AUDITOR'S RESULTS

Financial Statements

Type of auditor's report issued:	Unmodified
Internal control over financial reporting:	
Material weakness(es) identified?	No
Significant deficiency(ies) identified that are not considered to be material weaknesses?	None reported
Noncompliance material to financial statements noted?	No

Federal Awards

Internal control over major programs:	
Material weakness(es) identified?	No
Significant deficiency(ies) identified that are not considered to be material weaknesses?	None reported
Type of auditor's report issued on compliance for major programs:	Unmodified
Any audit findings disclosed that are required to be reported in accordance with 2 CFR 200.516(a)?	No
Identification of major programs:	

Name of Federal Program or Cluster	Assistance Listing Number
Coronavirus State and Local Recovery Fund	21.027

Dollar threshold used to distinguish between Type A and Type B programs	$750,000
Auditee qualified as low-risk auditee?	Yes

FII-National
Schedule of Findings and Questioned Costs
For the Year Ended December 31, 2024

SECTION II - SUMMARY OF FINANCIAL STATEMENT FINDINGS

There are no financial statement findings to be reported.

SECTION III - SUMMARY OF FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

There are no federal award findings to be reported.

FII-National
Summary Schedule of Prior Audit Findings
For the Year Ended December 31, 2024

There were no findings during the prior year single audit.
